NAVY MEDICINE
World Class Care...Anytime, Anywhere

U.S. NAVAL HOSPITAL
COMFORT

Apply for a NAVMISSA Athens Account:

This account will allow easy but secure access to Navy Medicine enterprise and Command unique electronic Library resources using a single username and password. Athens can be used from both on and off-site.

To register, you must:

1. Be affiliated with a Navy medical department facility to include: research institutes and laboratories, environmental health centers, disease vector centers, schools and training activities, occupational health and prevention medicine units and information management centers.
2. Register on-site from your duty location; once registered, you can then access from on and off-site. If you cannot register from your duty location, contact your respective library POC.
3. Supply a valid ".med.navy.mil" email address to receive your username and password. If you do not have a ".med.navy.mil" account, contact your respective library POC you are primarily affiliated with.
4. If you do not belong to any of the libraries listed below, contact the "Navy Medicine Electronic Library" POC.

Library	Name	Phone no	Email
Naval Health Research Center	Aileen Chang	(619) 767-4614	aileen.y.chang3.ctr@mail.mil
Naval Hospital Bremerton (NAVMISSA)	Jim Coyle	210-536-7108	usn.jbsa.navmedissasattx.mbx.navy-nmel@mail.mil
Naval Medical Center Portsmouth, Library Services	Lisa Eblen	(757) 953-5386	usn.hampton-roads.navhospportsva.list.nmcp-library@mail.mil
Naval Medical Center San Diego	Simona Konecna	(619) 744-2882	usn.nmcsd-library@mail.mil

 - Last Updated 11 March 2015

Below the CME information, there is a section titled "Interesting Article Courtesy of Alice Hadley (NH Guam)" with a small icon. The article content is:

Diagnosis and treatment of Clostridium difficile in adults: a systematic review.

Bagdasarian N, Rao K(2), Malani PN.

JAMA. 2015 Jan 27;313(4):398-408. PMID: 25626036
doi: 10.1001/jama.2014.17103.

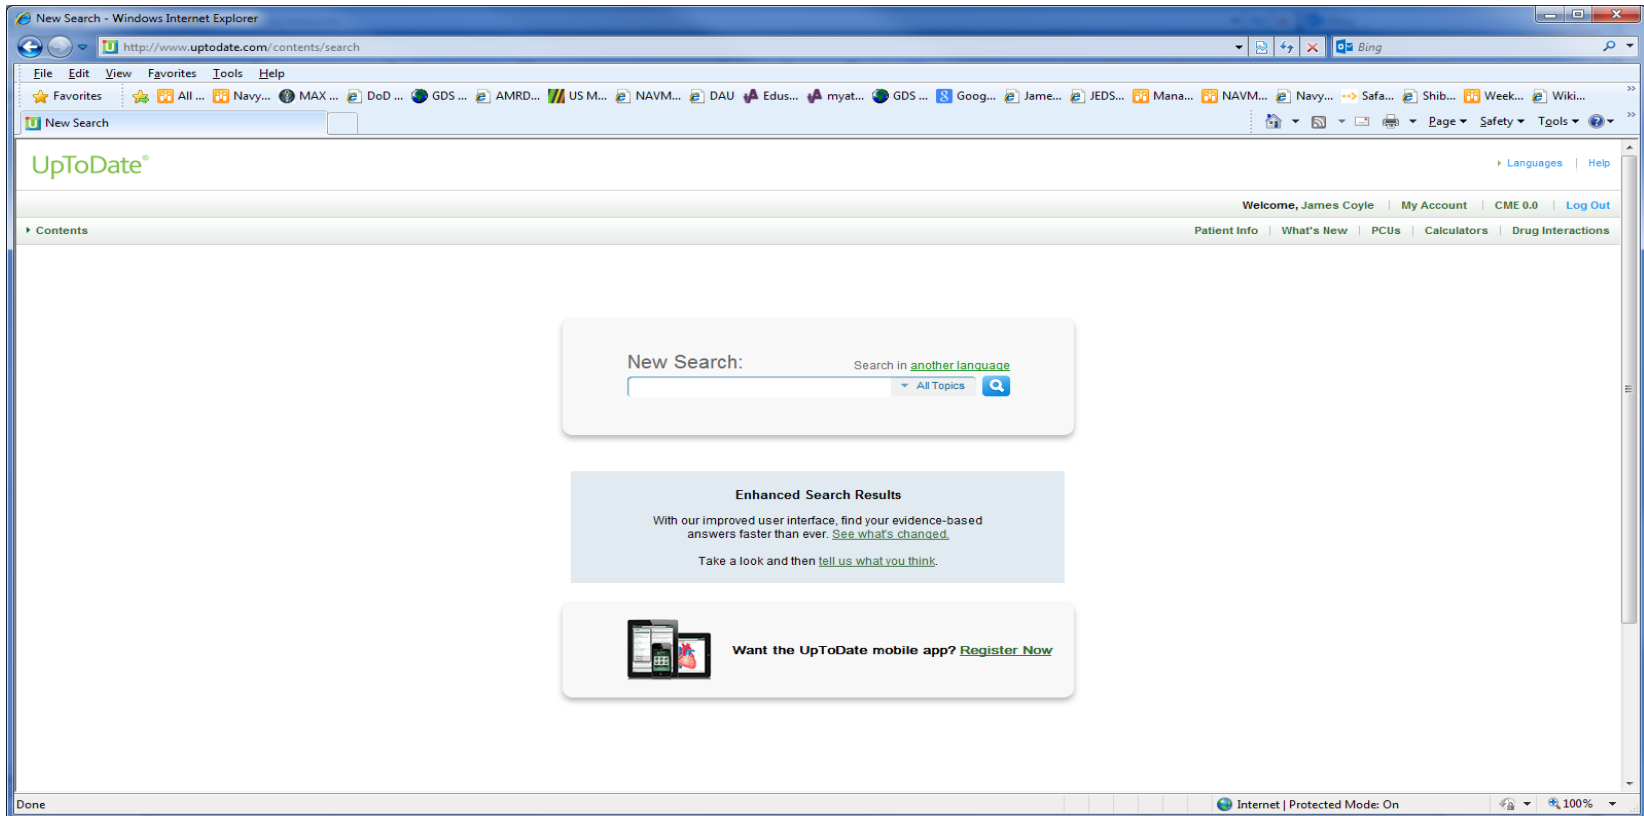

IMPORTANCE: Since 2000, the incidence and severity of Clostridium difficile infection (CDI) have increased.

OBJECTIVE: To review current evidence regarding best practices for the diagnosis and treatment of CDI in

UPTODATE MOBILE APP
